

State list — FY 2005-13, ST-556 Exemption Change (as of February 1, 2005)

Effective February 1, 2005, nonresidents may **not** claim the "out-of-state buyer" exemption (Section 5, Box A of Form ST-556, Sales Tax Transaction Return) on purchases of motor vehicles or trailers that will be titled in a state that does not give Illinois residents an "out-of-state buyer" exemption on their purchases in that state of motor vehicles or trailers that will be titled in Illinois (*i.e.*, there is no reciprocal exemption).

The chart below lists each state. It shows whether or not you must collect tax and, if so, the rate that you must use to compute the tax due.

We will review which states do not have a reciprocal "out-of-state buyer" exemption and their sales tax rates two times each year. Rates are subject to change. We will inform you of any changes so that, beginning each January 1 and July 1, you will collect the correct amount of tax.

Please see FY 2005-13, Exemption Change, for instructions how to complete your Form ST-556 properly.
